May, 2021

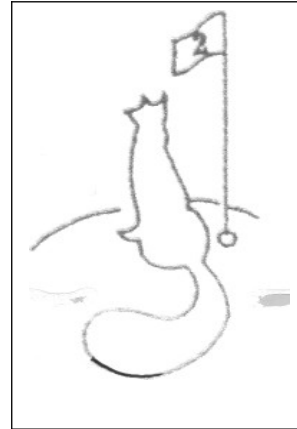

Can you believe it is May already? Seems like we haven't had much good golfing weather lately, but maybe that will improve!

The one-day Mixed Pairs Scramble is scheduled for May 8. Sign-up sheets are up in the Clubhouse.

Next Fox Hills Board meeting is set for May 20, 6 p.m.

Beginning April 5, the course will open for play at 1 p.m. on Mondays.

Thanks to everyone for coming through with the cart shed rental payments and the trail fee payments. As of right now, we only have one cart shed rental that remains unpaid.

Friday night scrambles have begun – every Friday night when weather and course conditions permit. (And when there is not a tournament beginning the next day usually). Come out and join the fun and get to know more of our members.

Holes-in-One

We have had a few holes-in-one recorded lately! Congratulations to

Ronnie Lamb	#2	3/31
Ronnie Webb	#2	4/12
Joshua Mitchell	#2	4/13

The Memorial Day club scramble will be held Monday, May 31.
