August, 2021

Next Fox Hills Board meeting is set for August 19, 6 p.m.

To anyone and everyone interested in the Fox Hills Cup:

There will be a meeting August 18 at 6 p.m. to discuss plans for the Fox Hills Cup. The new greens will not be ready for play by then. Options will be considered.

The greens have been "rebuilt" with new Champion Bermuda sprigs. The Club is hoping that they will be ready for play in the fall of this year, but there is no guarantee of that. We need to make sure that the greens are in good shape with an adequate root system in place before we have foot traffic on them. Otherwise, all of this time, work, and money spent on re-doing them will have been in vain. So please be patient,

play on the temporary greens and make the best of the situation.

The status of the Club Championship, Fox Hills Cup, and the Labor Day Club Scramble are all undecided at this point in time. We have to take it day by day to see where we are with our course.

We appreciate all of the loyal members who have maintained their memberships through this difficult time. Hope to have a great course with wonderful greens again before long.

"I don't say my golf game is bad, but if I grew tomatoes, they'd come sliced." -----

Arnold Palmer
