NEWS LETTER ***August 2022***

GREENS: The course is back on regular greens, except for 5 and 6, which are progressing nicely after the sod was laid down. Chris and his crew are doing everything they can to return these (2) greens back to pristine playing shape. Chris has asked members to help insure green fee players practice good golf etiquette on the course, especially around the greens.

REMINDER: Members who bring a guest to play, are responsible to make sure their guest comes into the clubhouse and signs-in and pays the appropriate green fee. It takes all members working together to ensure our club rules are enforced.
